## OVERVIEW

Vyomann Aviation is an independent aircraft parts, equipment and related products supplier/re-seller for a wide range of aircraft types at competitive price. To meet the specific needs of each customer, we offer a wide range of custom-tailored services including sales, exchange and loan options.

We are not a big company that has many sales men and customer service representatives. As a humble beginners, we value our timely manner to get the customer their parts quoted rapidly, repaired or overhauled in a timelier manner and we like to communicate with our customers. Building a business relationship goes further than just an email; it is speaking to a person and knowing their requirements for their business side as well.

Our experience and dedication are always on hand to discuss a support solution that is right for you and can count on us to deliver the right part, to the right place, at the right time.

### Why we are different

#### Reliability

Ability to provide high-level results for our clients by reliably meeting and then exceeding our customer's expectations for quality, value, and response times, is what sets us apart from other aero suppliers.
